**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to say "no" to price hikes that will increase the cost of internet and and telephone services. Our community needs broadband which is critical to our home, business, and especially to our children. Our community is rural and our children deserve to have the same opportunities as others in large cities.
